Re:
ROHS declaration of conformity - producer's statement

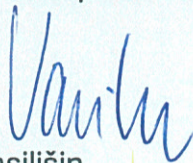

SPINEA, s.r.o., with its registered office at Ku Magašu 702/3, 080 01 Haniska, the Slovak Republic, ID. No.: 31 687 580, incorporated in Commercial Register of the District Court Prešov, Section: Sro, File No.: 10314/P, hereby **confirms** that the products

Precision reduction gears TwinSpin® (TS) series T, E, H, M and G

are not considered an electrical or electronic equipment, and therefore they are not direct subject to the Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment as amended ("RoHS Directive").

However, in some cases the aforementioned products can be components of the concerned equipment. **For these purposes SPINEA, s.r.o. hereby declares that the aforementioned products are manufactured in compliance with RoHS Directive and all chemical substances found in the aforementioned products comply with the requirements of RoHS Directive.** This statement applies to standard products or products with standard modifications, including all dimensional changes.

The final manufacturer of the electrical or electronic equipment remains fully responsible for the compliance of the completed equipment using the aforementioned products with the requirements of RoHS Directive.
